Dear Motor Vehicle Administrator:

Effective March 4, 2009, the Massachusetts Registry of Motor Vehicle began issuing a revised Certificate of Title. This revised title has two changes:

1. The pink thermochromatic seal of the Commonwealth of Massachusetts that is at the bottom center on the front side of the title is now larger. When heat is applied by rubbing a finger over the seal, the image will disappear. Once the area cools, the image will reappear.
2. On the back of the title, the old RMV seal in the upper left corner has been replaced with the new RMV logo.

Please note the following:

- All of the other security features remain present and unchanged.
- The revised Certificates of Titles will have a Control Number beginning with F5500001.
- All previously issued Certificates of Title are still valid.

A sample title, with the changes highlighted, is provided on the next two pages.

If you have any concerns on the validity of a Massachusetts Certificate of Title, or questions regarding our revised Certificate, please contact me at 617-351-9507

Sincerely,

Charles J. LaRocca
Director of Registrations and Titles
