Applicant/Vehicle Information: Before an application can be processed, the applicant must have a Nebraska title issued in their name on the vehicle. In the event the vehicle is leased, the leasing company must have obtained the Nebraska issued title in their name. Non-resident military must provide a copy of the vehicle's current registration. Applicant's applying for Nebraska 150 license plates on more than one vehicle must submit a separate application for each vehicle.

Fee: *A check or money order in the appropriate amount must be included with your application or the application will be returned to you unprocessed.* No refunds are allowed. A \$30 processing fee is assessed for all returned checks. Nebraska 150 license plate renewal fees are due annually in the same month as your vehicle registration. All renewal fees are paid to your county treasurer. **Please Note:** If new plates are registered to a vehicle in a month other than the month the vehicle's current registration expires; the Nebraska 150 license plate renewal fee will be required when the vehicle's registration is due for renewal.

Individuals ordering a Nebraska 150 numeric license plate will receive the next available number. Requests for a specific number cannot be accepted.

Once Application Is Approved: After the application has been processed an approval letter is sent to the applicant. The letter indicates the approved message, or the number assigned if the application is for an alpha numeric plate, the date the plates will be available at the county treasurer motor vehicle office and the county treasurer's telephone number to verify the treasurer has received the plates. Current plates and registration must be surrendered when the Nebraska 150 license plates are registered.
